

## THERE'S A NEW WAY TO SAVE ON COPIER TECHNOLOGY

### HIDDEN SAVINGS: COPY & PRINT

At Revolution Office, we're on a mission to reduce costs, improve service, and upgrade technology for 100% of our clients. As proud supporters of Cal-ISBOA, we understand that every dollar spent on copiers draws on funds that could instead support educational opportunities, financial aid, classroom resources, or technology initiatives. That's why we guarantee savings on any existing equipment leases. All it takes is a quick no-cost, no-obligation assessment and we'll show you how much you can save within 2-3 days.

### NAME BRANDS FOR LESS

Through a unique arrangement with manufacturers and leasing companies, Revolution Office sources like new, showroom model equivalent copiers for 30-50% less than you would pay through the manufacturer or local dealer. Devices come from trusted brands such as Ricoh, Xerox, or Canon and each has less than three months of manufacturer-rated usage. Every copier and printer is backed by a full-service agreement which includes parts, labor, and supplies with a 100% replacement guarantee.

### GUARANTEED BEST-IN-CLASS SERVICE

We pride ourselves on managing entire fleet installations without disrupting business as usual. When you contact Revolution Office, our dedicated team will design a custom solution for your business that includes equipment handling, staff training, fleet optimization, and electrical/infrastructure needs. After your system is up and running, our local teams of factory-trained and certified technicians are on call with an average 4-hour response time.

### FULL-SERVICE LEASE PAYOFFS

Organizations can reap substantial savings with Revolution Office, even when there are still years remaining on an existing lease. We regularly pay off all existing lease obligations while consolidating multiple contracts into a single program agreement. After a brief call to understand your needs and current leases, a senior Revolution Office consultant will craft a plan to maximize savings while handling all the details of existing lease payoffs.

We appreciate your interest in Revolution Office and would love the opportunity to speak with you further.

### PRAISE FOR REVOLUTION OFFICE

“ Revolution Office upgraded our four copiers, added an additional fifth device and reduced our costs by 24% over the term of the lease. I highly recommend that you invite them in to conduct an assessment for your school. ”

Steve Taylor  
CFO, Westmark School

“ A few years back we switched to Revolution Office, and I was very impressed with their ability to save us substantial monies while upgrading our equipment and their service has been great. We're now in the process of upgrading our machines with them again and will further reduce our annual expenditures. ”

Richard Shapiro  
CFO, Sierra Canyon School

“ Revolution Office upgraded our two copiers, paid off our current lease and saved us \$60K over the 5-year term. The experience was unlike any other that I've had with a copier company. It has been a pleasure to work with them, they were very thorough and did everything they said they would do. ”

Anna Shubeau  
Director of Finance,  
Marin Horizon School
