

# HRCI- AND SHRM- CERTIFIED WEBINARS

Four HRCI- and SHRM-certified webinars are offered per year exclusively for ThinkHR users. Presenters dive deep into important compliance topics like the ACA, changing laws and regulations, recruiting and hiring, and must-know reporting requirements.

## Why do HR webinars matter to you?

If you have your HRCI or SHRM certification, you know that you are required to renew your certification every three years. You can achieve recertification by completing professional development activities and attending webinars, like those offered by ThinkHR.
