

# K-12 Education Resources

## Webinars

Gallagher hosts timely webinars covering a wide range of topics across risk and health to help you increase your organizational resiliency. These webinars are designed to provide solutions that support the goals of your institution. Webinar replays can be watched on-demand at any time by selecting the links below.

Topic	Description
<a href="#">White Fleets – Off Duty Vehicle Use</a> February 28, 2020	To be effective, fleet safety and risk management needs to focus on the “white fleet” and not just the big operational risks associated with law enforcement vehicles or school busses. This webinar will focus on the risks associated with off-duty or incidental use of your fleet vehicles, for both public sector and school operations. How can your entity manage the “white fleet” and reduce the potential for accidents?
<a href="#">FEMA &amp; COVID-19</a> March 27, 2020	In response to the declaration of COVID-19 being declared a national emergency, the practice hosted a webinar with information related to applying for FEMA. This link also houses related information, FAQs and updates.
<a href="#">Playground Liability</a> March 31, 2020	School playgrounds offer students the much needed outdoor time and energy release. With those two come the potential for student injury and subsequent claims.
<a href="#">Bus Driver Safety and Wellness</a> May 5, 2020	School bus drivers face a variety of risks every day they are on the road. While ensuring kids’ safety on the bus, many times their own safety is overlooked, causing injuries to themselves.
<a href="#">School Cafeteria Safety</a> May 15, 2020	Review recommended areas of focus to improve injury reduction outcomes impacting your total cost of risk. Utilize tools such as accident investigation and root cause analysis to help prevent future accidents and be able to identify hazards in the workplace.
<a href="#">Exceptional Student Risk</a> June 23, 2020	Staff injuries while providing supervision and education for exceptional students is a claim trend for public sector schools.
<a href="#">COVID-19 and K-12 Schools: Reopening FAQs</a> July 23, 2020	Given the number of questions and concerns regarding the reopening of K-12 schools during COVID-19, the Practice held this webinar address the following: evaluating risks; preparing facilities and its employees to reopen; five step process to returning to the workplace; compliance considerations; employee benefits and resources; and ongoing operations and resources.
<a href="#">Social-Emotional Learning Strategies for Effectively Reopening Schools</a> July 24, 2020	Our strategic partner, Community Matters, walks you through strategies and solutions to help ensure that everyone in the school is feeling safe, welcomed and connected.
<a href="#">Concussion Protocols</a> July 28, 2020	Keeping our children safe is always our top priority but all of us know that any one of our children can take a spill, knock their head and get a concussion in any number of ways. From the field to the playground to the hallway, the possibilities are there, so we need to be informed on how to respond.
<a href="#">Confidence in the Workplace: Protecting your workforce and balance sheet during COVID-19</a> August, 2020	Gallagher experts discuss our new contact tracing tool and the importance of a holistic approach to protecting your people and your balance sheet.
<a href="#">Custodial Safety</a> August 25, 2020	School custodians face a variety of hazards in the workplace including handling chemicals, slip, trip and falls, and the physical nature of facility cleaning and maintenance tasks. Among the most

	common injuries for custodial employees are musculoskeletal disorders, which tend to be more severe than the average nonfatal injury.
<a href="#">Combative Students/Student Fights</a> September 22, 2020	Dealing with combative students is a possibility that both private and public schools must face. The time to prepare for combative students is before a physical altercation occurs with a focus on prevention. Chances are, many school districts are looking for enhanced training in order to assist their staff that may deal with this potentially challenging situation.
<a href="#">Cyber Insight Series</a> 2020	This series covers a wide range of topics such as emerging cyber threats, what those threats demand of your cyber insurance policy, and how to leverage your policy to mitigate and transfer the risk.
